Rotary
PEOPLE OF ACTION

Dear Lake George Business/Community Leader:

The members of the Rotary Club of Lake George would like to access the community to determine opportunities for our club members to provide voluntary assistance to non-profit organizations that need help with a particular task or project. In addition to raising funds annually to meet the needs of our community we are also PEOPLE OF ACTION. Our members are setting aside at least one day or evening a month in the year ahead to adopt small projects we can complete in 60-120 minutes. Here is an example of some recent community projects we have performed during our regularly scheduled weekly meeting time:

- Planting and seasonal maintenance at the Exit 21 Rotary Welcome Corner
- Springtime lawn and planting bed maintenance and mulching at Caldwell Presbyterian Church
- Fall grounds maintenance at Lake George Library
- Cleanup of Warren County Bike trail segment in Glens Falls in cooperation with Freedom Machines NY
- Construction of Lake George Rotary Ballfields Gazebo & Lake George Dog Park K9 Play Ramp
- Headstone refurbishment of the Family Plot of the Caldwell Family (Village Founders) at Caldwell Cemetery

We have enclosed a **COMMUNITY NEED ASSESSEMENT FORM**. Please complete the form and return to LG Rotary. We will review and adopt as many tasks/projects as we can schedule for winter and spring of 2022. We welcome anyone interested in helping our club with these projects to list their names and contact information on the form. We will reach out to all volunteers regularly with email updates on opportunities to assist LG Rotary with community projects. We are also interested in working with other organizations as partners to achieve larger scale projects that we would be unable to complete with our task force alone.

If you are unable to identify a need for a task or project to be performed but would like to make a monetary donation, please complete that portion of the enclosed form as well. We raise funds annually that support the many community efforts of LG Rotary. In addition to direct contributions we also receive donations from individuals and businesses through our annual LG Rotary Radio Day Fundraiser and our Americade and Ice Out raffles. Some of the projects we current support with funds raised are:

- \$8000+ in annual scholarships to graduating seniors at Lake George Jr./Sr. High School
- Christmas Shopping Program for LG Elementary Children and their families
- Christmas Adopt-a-family Program to assist families in need
- Annual Dictionary/Thesaurus Project providing all 3rd & 5th graders at LG Elementary School with books
- Rotary Foundation Effort to Eliminate Polio from the planet
- Lake George Rotary Ballfields – ongoing support to create and enhance our community ballfields

Thank you for taking time to alert our club about opportunities for us to serve the needs of the Lake George community. Your support of time and/or treasurer can make a world of difference! To learn more about the Lake George Rotary visit www.LakeGeorgeRotary.org We invite anyone with a passion to help others to join us in making a difference.

Yours in Rotary Service,

David J. King
